OBJECTIVE

Motivated front-end web developer with a passion for creating user-friendly and visually appealing web applications. Seeking to leverage my skills in HTML, JavaScript, React, Next.js, and Tailwind CSS to contribute to innovative projects and drive user engagement in a dynamic development team. Committed to continuous learning and staying updated with the latest web technologies to enhance performance and user experience.

WORK EXPERIENCE

• Teacher, Ahmad's IT Solution

Duration: 1.5 years

- Instructed students in front-end development, covering HTML, JavaScript, React, Next.js, and Tailwind CSS.
- Developed curriculum and lesson plans to enhance learning outcomes.
- Provided individualized support to students, fostering a deep understanding of web development concepts.
